**YH23-0001 SED & SMI ELIGIBILITY DETERMINATION RFP**

~~2. Preliminary Recommendation of Functional Criteria: As a result of the above diagnosis, the individual exhibits any item listed under 2 (a), (b) and/or (c) for most of the past twelve months or for most of the past six months with an expected continued duration of at least six months:~~

~~2(a) **Inability to live in an independent or family setting w/o supervision (Self**~~

~~**Care/Basic Needs)**—The individual's capacity to live independently or in a family setting, including the capacity to provide or arrange for needs such as food, clothing, shelter, and medical care.~~

~~Neglect or disruption of ability to attend to basic needs.~~

~~Needs assistance in caring for self.~~

~~Unable to care for self in safe or sanitary manner.~~

~~Housing, food, and clothing must be provided or arranged for by others.~~

~~Unable to attend to the majority of basic needs, including but not limited to, hygiene, grooming, nutrition, medical and dental care.~~

~~Unwilling to seek prenatal care or necessary medical/dental care for serious — medical or dental conditions.~~

~~Refuses treatment for life threatening illnesses because of behavioral health disorder.~~

~~2(b) **A risk of serious harm to self or others (Social/Legal and/or**~~

~~**Feeling/Affect/Mood)**—The extent and ease with which the individual is able to maintain conduct within the limits prescribed by law, rules and social expectations, and/or the extent to which the individual's emotional life is well modulated or out of control.~~

~~Seriously disruptive to family and/or community. ———~~

~~Pervasively or imminently dangerous to others' bodily safety.~~

~~Regularly engages in assaultive behavior.~~

~~Has been arrested, incarcerated, hospitalized or at risk of confinement because of dangerous behavior.~~

~~Persistently neglectful or abusive towards others in the individual's care.~~

~~Severe disruption of daily life due to frequent thoughts of death, suicide, or self harm, often with behavioral intent and/or plan.~~

~~Affective disruption causes significant damage to the individual's education, livelihood, career, or personal relationships.~~

~~2(c) **Dysfunction in Role Performance**—individual's capacity to perform the present major role function in society school, work, parenting, or other developmentally appropriate responsibility.~~

~~Frequently disruptive or in trouble at work or at school.~~

~~Frequently terminated from work or suspended/expelled from school.~~

~~Major disruption of role functioning.~~

~~Requires structured or supervised work or school setting.~~

~~Performance significantly below expectation for cognitive/developmental level.~~

Unable to work, attend school, or meet other developmentally appropriate responsibilities.

The above noted Functional Criteria ratings are suggested based upon the following information regarding this individual's functioning: (Provide a description of both the positive (confirming) findings and negative ("rule-out") findings of the functioning of this individual)

---

---

---

---

---

**3. Risk of Deterioration**

- The individual does not currently meet any one of the above functional criteria 2(a) through 2(c) but may be expected to deteriorate to such a level without treatment.
- A qualifying diagnosis with probable chronic, relapsing, and remitting course.
- Co-morbidities (like mental retardation, substance dependence, personality disorders, etc.)
- Persistent or chronic factors such as social isolation, poverty, extreme chronic stressors (life-threatening or debilitating medical illnesses, victimization, etc.)
- Other (past psychiatric history; gains in functioning have not solidified or are a result of current

The above noted Functional Criteria ratings are suggested based upon the following information regarding this individual's functioning: (Provide a description of both the positive (confirming) findings and negative ("rule-out") findings of the functioning of this individual)
